| What you get out of this study group is exactly what you put into it. We can't make you read, study, or participate. With some effort and the determination to pass the exam, you will succeed. The CPP's are not instructors, they are payroll professionals volunteering their time. They don't have all the answers. Please keep this in mind. | | | | All CPP's and sub CPP's can be reached at this email: osgteachers@cppfpstudygroup.com | | | |
